

How do I update my information?

1. After logging into SAFRA Online, find the left navigation panel, click **[Account Settings]** tab and select **[Communication Preferences and Contact Info]**.

2. Update your contact information and click **[Save]** at the bottom of the page.

3. A confirmation message that your contact information has been updated successfully will be displayed.

The screenshot displays the mySAFRA user interface. At the top, the header includes the mySAFRA logo, a location indicator for SAFRA TAMPINES, a SAFRAPoints balance of 34, a notification bell with a red '0', and a Log Out button. A left-hand navigation menu lists various account features. The main content area features a green confirmation banner with a checkmark icon and the text 'Congratulations! Your changes successfully saved.' Below this is the 'Account Setting' page, specifically the 'Personal Contact Information' section. This section contains input fields for MOBILE NUMBER* (89999999), HOME NUMBER (61234567), and EMAIL (momfei@gmail.com). A 'PREFERRED CONTACT MODE' section includes checkboxes for Mailing, Email, Phone call, SMS, and a 'Select all' option. At the bottom of the form are 'CANCEL' and 'SAVE' buttons.
